

Assignment 5
Photoshop animation

Create an animated banner as advertisement for a \$1 product.

Go to a dollar store and buy an object.

Think about who your target audience - who are selling your product to ?

What is a good way to help develop your skills.

Do something that interests you.

Banner size

468 x 60 Full Banner 20 KB

336 x 280 Square 25 KB

300 x 250 Square 25 KB

Your choice of size

Frames per second = 12fps

This is to be minimum of 5 seconds = 60 frames

It can either be done as a frame by frame animation or a video animation.

have fun.

This project can either be an illustration or photographic project.
